ADMINISTRATION
PRINCIPAL'S MESSAGE

Whittier has grown this year with its many and varied accomplishments for which its Students may be proud. The academic successes of Whittier's English team and our student participation in our science fair are to be commended. Whittier's achievements have been recognized throughout our county's school system.

The many extra-curricular activities in our athletic department, music department and after school clubs have added to the Whittier student's Scholastic Life.

Our eighth graders leave Whittier with a reorganized and better functioning SCA. Whittier also enjoyed and benefited from its new drama clubs and its first Whittier production.

The 1976-77 Whittier year, "the year of our ten year evaluation," will be remembered as a fine year both academically and socially. On behalf of Whittier's staff and faculty I wish the Whittier student body happiness and success in the years ahead.

The 1976-77 Whittier gymnastics team started practive in November with the project of continuing their showing in the Fairfax County intermediate gymnastics meet at Mount Vernon High, March 16. Each year the team consistently scores high at this meet. With an even mixture of seventh and eighth graders, team strength should continue through this and next year.

High hopes go with the return of advanced gymnasts Johnna Richards, Roxana Ipince, Karen Efird, David Amoroso, John Miller and Dallas Gravette. Mr. Clements, the gymnastics coach, credits the success with the growing interest, schoolwide, in this relatively new and difficult sport.

WHITTIER BASKETBALL TEAM

WILDCAT TEAM 76-77

The coaches selected fifteen players from the many students who tried out in early November. After several weeks of practice the team took the floor for the first time against Glasgow Intermediate. Whittier led most all of the game but came up short at the buzzer. After two more losses to rival Luther Jackson, confidence was regained with victories over St. Agnes and St. Anne's schools. The season finale on February 17 was a controversial overtime loss to Glasgow. Thanks to players, cheerleaders, fans, coaches and faculty for all the effort and support to this year's team.

KNEELING: Tim Denny, Carl Stewart. STANDING, L-R: Coach Berry, Darren Gazes, Tolie Miller, Shaun Shifflett, Kurt Lichty, David Noland, Robbie McKeever, Fred Kramer, Erics Trawderman, Coach Sidenstick, Manager John Anderson.

TEN PIN BOWLING CLUB

DUCK PIN BOWLING CLUB

Whittier has both a ten-pin and a duck-pin bowling club with approximately one hundred members. The ten pin club is affiliated with the American Junior Bowling Congress which means that patches are distributed for special types of games and for the "Bowler of the Week." At the end of the season, there is a party at which trophies are given to the top three teams and to the boy and girl with the highest series, highest average, highest game, and the most improved bowler. Thursday is bowling day and the season extends from October until April. Many thanks go to this year's sponsors Miss Brown, Mrs. Bailey, Mrs. Peters, Mr. Jarman, Mr. Phillips, Mrs. Walthall, and Mrs. McCabe

WHITTIER CHEERLEADERS

The eight J. G. Whittier cheerleaders were chosen in September from forty-two eiththgradeggirls. The faculty and administration joined togehter in choosing the eight girls. The squad grew from six girls to eight this year, and the new uniforms were an added improvement. The cheerleaders performed at five basketball games and were responsible for posters, badges, and raising school spirit.

SPONSORS: Miss Farish
Miss Dragan

L-R: Karol Ponton, Melody Hull, Michele Claussen, Martha Walton (Captain), Linda Hink, Michelle Anthony, Becky Knott, Dawn Gerhart.

77 DRILL TEAM

The Whittier drill team is made up of all girls, though boys are encouraged to participate. They have performed during several school assemblies and at home basketball games. The student body and faculty always look forward to their performances.

Their performances are concerned with audience appeal, showmanship, variety, coordination, originality, and routine compatibility. The team will be returning to the Virginia State Drill Team Championships again this year, where last year the team placed first in the dance division.

SPONSORS: Mrs. Brown
Mrs. Amakar

J. G. WHITTIER 76-77 S.C.A.

The SCA is very proud of its accomplishments this year. Fifty state flags and twelve continental flags were hung in the corridors, green plants were placed in the halls and cafeteria, new curtains replaced the old ones in the cafeteria, a new menu bulletin board was placed in the cafeteria, a directory and a calendar bulletin board were hung in the main corridor. A successful walk for mankind was held in October, along with a successful magazine drive in February. The SCA participated in assembly programs, 6th grade orientation programs, ESL guides and sponsored several successful dances.

EIGHTH GRADE DRAMA

This year Whittier has developed a drama club designed for eighth grade students only. The students have elected to put all of their effort into one dramatic production. The Kaufman and Hart comedy, "Once in a Lifetime," under the direction of Mrs. Mazzei, is scheduled to be presented at the end of the school year.

The club members will experience the joys, headaches and excitement involved in presenting a play of this magnitude. It is hoped that each of the students will enjoy their participation in this theatrical endeavor.

FIRST ROW: S. Conner, D. Nagle, D. Amoroso, B. Snyder, S. Webster, R. Williams, A. Adenan, L. Shelley, E. Conrad, D. Shirley, W. Pendleton. MIDDLE ROW: M. Lackey, J. Banks, D. Gerhart, C. SEATED, L-R: Jeanette Green, LaDonna Ellis. STANDING, L-R: Martha Walton, Tami Blankenship, Arleen Kobayashi, Kristi Griffith, Koral Ponton, Rhonda Henrikson, Ellen Conrad.

OFFICE AIDES

The office aides afford our school many personal services we could not otherwise have. They answer the office phones, deliver messages, collect the daily attendance, and greet visitors coming to Whittier, to mention just a few of their duties. Our aides maintain a B average, good attendance and present themselves in a most favorable manner.

GUIDANCE AIDES

The aid position is a privileged one and aides must set a good example to other students in their personal conduct and in their school work. Good grades are important and aide's personal conduct must be courteous and respectful. Aides must give up his/her non-academic elective to be an aide. The aides run errands, answer phones, and do minor clerical work. They are a tremendous help to administrators, counselors and secretaries and a real benefit to the school.

L-R: Lori Moon, Mike Maines, Suzanne Jibeault, Maria De Leon, Leslie Efird.

L-R: Scott Hydrick, Mike Maines, Richard Garrett, Marc Friedman. STANDING: Ryota Yoshimura, Les Ferguson, Miss Morris. NOT PICTURED: Hope Goss, Mairead O'Clisham, Karen Anderson, Tuan Pham.

MATH TEAM

The math team is a part of the superintendent's academic awards program. This year's team has attended six meets with all twenty-one county intermediates competing. This year's Whittier team has done as well as any of the past teams.

ART CLUB

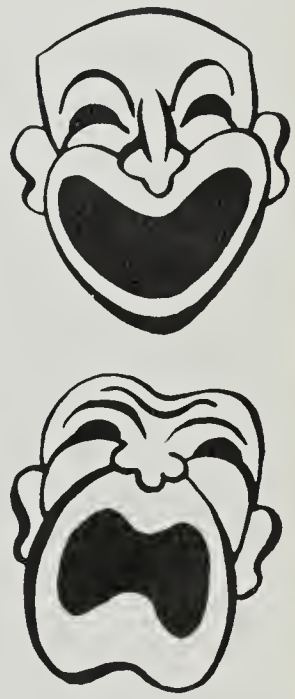
The art club meets every Tuesday, or as necessary for a student to complete a project. All members of the Art Club work independently on projects of their own choosing. Students experiment in media which is beyond the normal art curriculum and developes various new techniques in art.

L-R: Renee Smith, Sylvia Morgan, Oanh Nguyen, Tim Doland, Geraldine Fields, Denise Lee, Mrs. Galemore, Alan Borie, Lisa Chalou, Judy Kraemer.

SEVENTH GRADE DRAMA

1st ROW: Julie Rose, Rebecca Higgins, Stacey Kirkpatrick. 2nd ROW: Lonnie Coleman, Eileen Cain, Jimmy Ajruhahi. 3rd ROW: Mrs. Walthall, Doug Frye, Miss Bryan.

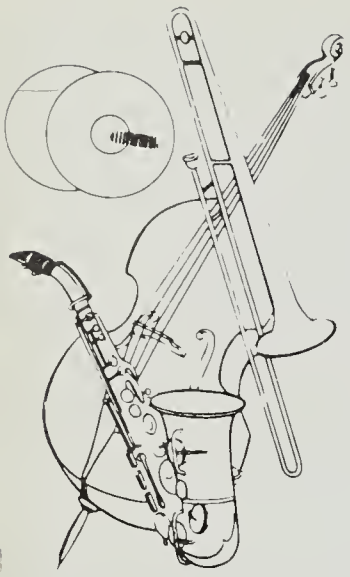
The seventh grade drama club is planning to present a play in the spring. The play will be of a contemporary type and will be of interest to all students. It is the hope of the club to attend a dinner-theater performance in the area. An end of year party for members is also planned for early June.



WHITTIER ENGLISH TEAM

The English team is composed of a team of five members and three alternates. The team participates in the annual superintendent's award program. Two regional meets were held this year. The team placed first in both of these meets. The team also competed in the county wide meet, held March 17th, at West Springfield High School.

L-R: Hope Goss, Lisa Demmy, Mrs. Walthall, Jay Lake, Richard Powell, David Heller.



BAND

The concert band is the most advanced band at Whittier and represents the school at all public performances. Concert band is an elective subject for seventh and eighth grade students who meet the necessary qualifications. Those students with previous instruction on a band instrument in elementary school are eligible for the concert band. The intermediate band is a stepping stone to concert band. The students in the intermediate band learn the fundamentals of playing in a band and study various musical styles and techniques. Previous training is necessary to enroll in the band, which is open to seventh and eighth grade students. The Whittier concert band has always strived to achieve the highest musical standards possible.

Intermediate Band

STRINGS

With its membership of 28 students the Whittier string program ranks as one of the largest in the country for intermediate level. The group is divided up into two classes: one class, which is geared toward more advanced students; and the other, which is designed for students who have had less experience on their instruments.

Both classes combine to perform at school concerts and PTA programs. The advanced group has the additional privilege of performing with the Falls Church High School string ensemble at its concerts, the most important of these is the District Festival on March 26.

WECEP

WECEP is an eighth grade cooperative program where students attend school in the morning and work on school supervised jobs in the community during the afternoon. WECEP students study general business principles and good employer-employee relations in twelve units of study. While earning a regular salary, the student experiences a real sense of financial and personal responsibility. Students may continue in the WECEP program through the summer and into the ninth grade on the high school level.
